

Whippoorwill Weekly

WINTER EDITION: 2009/2010

New this year! Online Registration.

We are very excited to offer online registration this year. Our hope is to make the camp registration process as painless as possible. When registering and paying for your camper online, you will receive a confirmation e-mail within 3 days of your completed application notifying your camper of their session. You can also pay online with credit card for no additional cost.

We will not be mailing out the application with our brochure this year in an effort to save some trees and encourage the online registration. However, if you still prefer to mail your application, you can visit our website at www.whippoorwill.com to download and print an application and health form. There will be more information about this new process in the brochure as well as on our website. And as always, you can call the camp office if you have any questions.

We hope you will try our new online application!

WestHaven Christmas Craft

Whippoorwill will be at WestHaven's holiday party hosting a craft corner on December 13th. Art and Craft Director Donna Winston and longtime friends of the camp Gill and Hank Murrey will lead two different holiday crafts for children ages 6 and up. Check out our website at www.whippoorwill.com/holidaycrafts.html for directions to make these fun crafts.

Milo's Letter to SANTA

Dear Santa,

I know that I have had a little bit of an attitude this year, but overall I think I have been a very good pig. I have eaten all my fruits and vegetables, I kept my pin clean (as clean as a pig pin could be) and I have been nice to my best friend Buddy the goat. So with that being said I only have one thing to ask for Christmas this year; I would like my own room. I am 12 years old now and I feel that I am old enough to have my own room and not share with Buddy any longer.

I promise I will not make a lot of noise and that I will pick up my toys every night before I seep. I will of course still spend time with Buddy as we are and always will be best friends. I know I will be in a better mood with my own room.

Santa I do not think this is too much to ask for. I know Miss. Sidney and Miss. Shanelle just want me to be happy and having my own space will do that. Thank you and Merry Christmas!

Love,

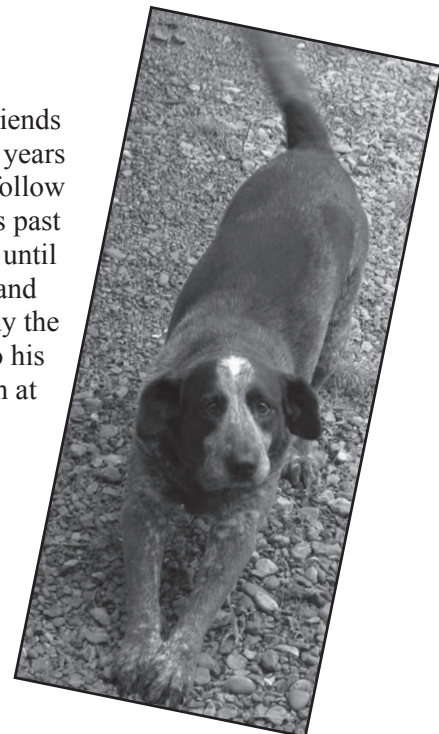

Milo

Lilly has a new friend!

Lilly the camp dog has been known to be best friends with lots of strange and different animals. A few years ago, she used to have a pet Possum who would follow her around and would sleep near each other. This past summer, Lilly and Miss. Duck were best friends until Miss. Duck became the leader of the duck pack and made friends her own kind. Now Lilly and Buddy the goat are best friends. Since Buddy was moved to his own room, Lilly has been sneaking into the room at night to sleep near him and keep him company!

Although Lilly can sometimes be timid around humans, she sure likes to make friends with all types of animals. Who will Lilly be friends with next?
