Whippoorwill

(Sung to the tune of "jingle Bells")

Dashing through the creek
Splashing all my friends
What a wonderful week
Hanging in our dens.
Arts and Crafts are fun
Rappelling is the best
How cool it is to be in the Sun
At Camp there is no rest.

Oh, Whippoorwill, Whippoorwill,
Whippoorwill is great.
Oh what fun it is to be
A kid at camp; CAN'T WAIT!
Oh, Whippoorwill, Whippoorwill,
Whippoorwill is great.
Oh what fun it is to be
A kid at camp; CAN'T WAIT!

Whippoorwill staff members will gather together in December to enjoy a meal with one another and collect school and art supplies for Fannie Battle Day Home.

Whippoorwill Turns 40!

In 1972, Sidney Wooten wanted to create a place where kids could go and be kids. With open fields, creeks to explore and nature at its best, Whippoorwill Farm Day Camp began and has been celebrating summer every year since.

Please join us on **June 16th from 12-4 p.m.** for a family fun day to celebrate what Whippoorwill is all about. All are welcome! Visit our website in January for more information on the event and to RSVP.

Milo Goes Holiday Shopping

Not long ago, Milo decided he needed to get his holiday shopping out of the way. There were so many items he needed for all of his friends on the farm. Buddy, the goat, wanted a new leash and collar, Spots, the office cat, needs a blanket for his basket and Lilly, the dog, wants a new pet friend. He wanted to buy yummy seeds and treats for Ms. Duck, Zuckzilla and all the duck friends and he thought a brand new salt cube and some apples would be great for the horses. And of course he could not forget about his friend Thumper, who wanted a new ball to roll around with.

This was a lot of shopping to accomplish with not a lot of time and Ms. Shanelle and Ms. Sidney didn't have the time to take him to the mall, so he took it upon himself to head out on hoof! He made it all the way to end of the gravel road before a nice neighbor called the camp office to let us know Milo was headed for town. Thank goodness Mr. Mark our maintenance man was able to get him back to his pen. Sorry Milo, but you will have to wait for someone to take you holiday shopping!

How to make a Reindeer Ornament Craft:

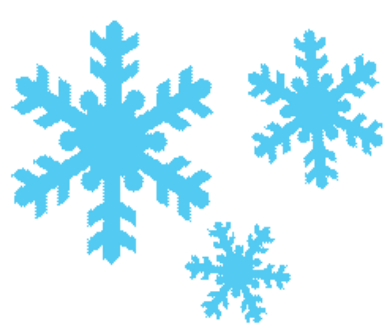

To make the head, cut 2 tear drop shapes from the craft foam.
To make the ears, cut a small oval, then cut it in half lengthwise.
Bend each chenille stick in half, then bend and twist them to form two antlers.
Glue the ears toward the top of the round end of one of the tear drop shapes. (*Tip: Hot glue works much faster.*) Glue antlers to the top of the same oval shape.
For the hanger, fold ribbon in half and glue the open ends together in between the two antlers.

For the rest of the directions, visit our website at www.whippoorwill.com & click on the link for the Reindeer Craft.

- ¼ sheet of light brown craft foam
